

RISK DISCLOSURE

Cape Capital Group (Pty) Ltd.

FSP: 50206

Introduction

This is the corporate website of the Cape Capital Group (Pty) Limited (“the Company”).

The Company is an authorized Financial Service Provider by the Financial Sector Conduct Authority (FSCA) in South Africa. The Company is listed under the FSP No. 50206 and under the Registration No. 2019/142922/07.

The products and services of the Company are not available to the residents of countries as listed on the website and updated from time to time.

Cape Capital (“the Company”) has published this Risk Disclosure Statement in order to provide and assist you to further understand the level of risk involved in the trading. Cape Capital offers their products and services in accordance with the understanding that you are aware of the risks involved therein.

Please take the time to thoroughly read this Risk Disclosure Statement before using the website.

Financial Instruments

The Company provides for the following Over the Counter (OTC) Financial Contracts for Differences (CFDs) as available on the website from time to time.

High Risk Investment

Trading Forex or CFDs carries a high level of risk. Thus, engaging in trading in this kind of activity is not suitable for all investors. In engaging in the activities offered by the Company, there is a possibility that you will sustain losses in your investment. Take note that you must consider at all times and in all aspects your level of skill and experience, risk tolerance, financial capacity, investment goals and objectives, and emotional intelligence. Take note as well that in engaging in this kind of trading activity, it is required for you to maintain a sufficient amount of funds to maintain your position therein. Further, you may seek advise from trading experts or independent financial advisors in order to further enhance your awareness and knowledge regarding the risks and potential loss associated with this kind of trading activity.

It is important to be aware of the investment risks and do not engage in any transaction, activity or investment that is beyond your financial capacity.

Risks of Online Trading

The Company shall not be held liable for, such as but not limited to, live online trading failure, glitch, error, delay, internet disruption or black out, or communication failure

when you are trading through the internet. The Company does not have control over the internet router, modem, reception, signal, internet speed and configuration thereof. Thus, in the occurrence of any of these events, the Company shall neither be faulted nor be held negligent by you.

Market Opinions

The information presented on this website, including opinions, news, research, analyses, prices, and other content, is intended solely as general market commentary and should not be construed as investment advice. Thus, the Company shall not be held responsible for any loss or damage, such as but not limited to loss of profit that may occur as a direct or indirect result of using or relying upon the information provided on this website.

Storage of Client's Funds

The money, regardless of the amount, that you and the other users deposit or store in your account will be kept by the Company in one or more segregated accounts with a financial institution that is based in the Republic of South Africa, or a bank institution licenses and/or authorized in another country, or a payment provider successfully screened evaluated in accordance with the criteria set out by the Company.

Segregation and Security of the User's Fund

The Company ensures that the funds of the users are separated from the funds of the Company and the Company will not, in any way of whatever kind, use or invest illegally and inappropriately the funds of the users. The Company ensures that the funds are segregated, kept and stored independently from the funds of the Company.

Please take note that in the event of insolvency, the funds of the users will be pooled together with the funds of the other users. In this case, you will not be able to claim for a specific amount in a particular account. Further, in the event that the financial institution is in default, you shall not take action against the Company as the Company will not be held accountable for the default of the financial institution.

No Advice from the Company

The Company reserves the right to issue and/or distribute third-party material which may include information related to the financial markets which may be accessed on the Company website, other media platforms or received by you. It is important to note that this material is considered only as a form of marketing communication and

the same should not be interpreted as investment advice, investment recommendation, or a solicitation for any financial instrument transaction.

Thus, the decision of the client to engage in a particular transaction should be made by him or her after sufficient assessment of their capability and situation.

The company does not offer financial, investment, tax, regulatory, legal or any other advice related to investments or trading CFDs.

Please note that any information, material or other features that may be provided on the website, marketing or training events trading platforms, or any other means are generic and the same should not be considered as advice suitable for you or based on your personal circumstances.

All opinions expressed in the material are subject to change without prior notice. Please note that any opinions expressed in the material may be personal to the author and may not necessarily reflect the views or opinions of the Company. The Company does not provide any guarantee or accept any responsibility for the accuracy or completeness of the information presented, nor will be held liable for any losses arising from any investment based on a forecast, recommendation or other information supplied by any employee of the Company.

Charges, costs and fees

The Company will provide and publish the relevant charges, costs and fees on the website in order for you to be aware of the charges and fees that will be imposed on the activity you are engaged with.
